**Re: Follow-up 104(e) Request – The Union League of Philadelphia
Lower Darby Creek Area Superfund Site
Delaware and Philadelphia Counties, Pennsylvania**

Dear Ms. Winter Prisk:

This is to confirm our telephone conversation of today wherein I advised you that this firm has just been retained to take over as counsel to The Union League of Philadelphia ("The Union League") in connection with the above-captioned matter.

Since we received the file (or a part thereof) just today, I requested and you graciously consented to an extension of time of thirty (30) days within which our client, The Union League, may file a response and/or supplemental answers to EPA's 104(e) Request for additional information dated January 14, 2004. Accordingly, The Union League will submit its reply on or before March 18, 2003.

Thank you for your courtesy and cooperation. I look forward to working with you again.

Very truly yours,

Kevin J. Kehner
